

How are you helping to change the world?

Changes you make in your home and community influence the global environment

Together with your friends and family, decide how planet-friendly you are. On a sticky, tell us which activities you excel at for each category. On a second sticky, write one new activity to try this week.

You **APPRECIATE** nature because you:

- ◆ Go outside and enjoy nature, or
- ◆ Take reusable bags to the store, or
- ◆ Recycle
